INTER SCHOOL competitions– Each and every subject can be enhanced by going in for various competitions. An ocean of opportunities was provided and our students really excelled very well. The children participated in a gamut of competitions ranging from class PS to XII in various disciplines from English to Maths, Science and SST. Whether it was a dance competition or music, art or sport, tech related innovation or drama, our students earned name and fame.

Flux 2022 – Annual Inter- School Fest was organized online wherein 14 major events were designed.. There were 750 participants from classes PS – XII from 60 schools. The events were so designed that the children from all categories could easily participate and bring out their hidden talent. The events as designed were - Rubble Wrap, Poetic Pulse, Nurture Nature, Ingenuity With Shapes, Manch Abhinay, Freedom @75, Creative Bot, Kesariya, Geo Magic Mandalas and Planet Prithvi - Alien - de - Transformers The rolling trophy was awarded to the winning school. It was a mega event and a grand success though virtually.

EVENTS AND ASSEMBLIES – We have celebrated all the occasions including national festivals, teachers' day, Basant Panchmi , children's day, Diwali, Gurupurab, Investiture, Raksha Bandhan, Janamashtmi, Christmas, etc. Road safety week was celebrated in the school premises spreading awareness amongst the children. The students participated enthusiastically and we're ecstatic as they got to do something different every day.

AIL – A very well planned system was organized for Art Integrated learning activities. Each class, each student and each subject was taken up to integrate art in learning. Out of the box ideas were carved to get the children interested in doing such activities.

PRISM - THE CAREER CONCLAVE - Several famous universities displayed their exhibits in the multi-purpose hall. The students had the opportunity to clarify their doubts and have a crystal-clear vision about their dream universities. It was a moment of pride when the neighboring schools also had the opportunity to visit the school premises and discover their true self. The school thrived into activity and the illumination of excitement could be reflected

on the faces of the children. The parent community found it really invigorating. The one-to-one session culminated with a broader spectrum and a clear vision.

WINTER CARNIVAL - SDPS, East Punjabi Bagh organized its maiden/first ever winter carnival with great zeal and enthusiasm on 24 Dec, 2022. The happy, exuberant faces of the children coupled with the infectious energy of teachers was ubiquitous, a further testimony to the fact that the event was a stupendous success. The scenic depiction of Christmas right at the entrance to reception transported the visitors to a land of joy and wonder.

ALUMNI MEET - This was just another milestone when the school invited all the old grads of the school and had a gala show for them. The evening transformed into memories, from the past as well as the present. The children wanted to visit their classrooms where they had occupied the benches as students.

EXCURSIONS - Various excursions were planned throughout the year. The destinations were chosen with utmost care - age appropriate. Visits to temples, monuments, day long excursions helped the children learn various skills - cooperation, patience, sharing and caring and many more. Their emotional development of the child was the main focus area.

INNOVATION FEST - An innovation fest was organised in the school premises. All the children from classes III – XI participated and they were too enthusiastic to depict their skills in the form of models. There were nearly 19 exhibits and around 100 children came out with brilliant ideas. These exhibits were not limited to one or two topics – there was a galaxy of innovative ideas from various resources. These exhibits were made in the guidance of the mentors in the school and the material that was used was easily available – either the wastewater bottles, simple toy cars, cardboard boxes or tubes. SDPS could easily see the true bent of mind of the children. The aim was simple – to learn through experience.

SPORTS - The students participated in Zonal Basketball Tournament in sub junior, junior and senior category and brought laurels to the school. In the boys' category they were adjudged as the winners in all the three categories acquiring the first position. The girl community was no less and they were able to grab the second position in the sub junior category, third position in the junior category and again second position in the senior category. It was not just books and rote learning that was the need of the hour, it was the all-round development of the child which was the main area of focus.

SPORTS SPARDHA - The event sports spardha continued for nearly a fortnight and then it was the closing ceremony that captured the attention of the spectators and left them awestruck. Various games and activities were organized for all the children of the school. Basketball matches, Volleyball matches, Badminton matches, Skating, Three - Legged Race, Sack Race were some of the major attractions.

YOGA DAY - It was celebrated in the school and the children performed yoga exercises. This day was a reminder that exercises are an integral part of our holistic development.

BENEDICTION CEREMONY - It was organized in the school premises to bid adieu to the children of classes X and XII.

TEA MORNINGS - Another feather in the cap was to be closely associated with the parent community. Thus, tea mornings helped the educators and the parents when they shared their opinion and views on a common platform.

WORKSHOPS– It is necessary to stimulate the children as well as the educators on day to day life skills and the topics they read and learn. A lot of workshops were attended by the students regarding life skills, subject enhancement, counseling and choosing the right stream and career.

Be it teaching online or offline, the educators are given a chance to learn something new every day. We have come out of the mundane traditional methods and catapulted ourselves towards advanced methods. This drastic change has groomed the teachers so well that they stand out with an oozing confidence. Attending a number of workshops is yet another ingredient in the making of this modern SDPS. Having been shown the platform of DIKSHA, NISHTHA and other CBSE related circulars and apps, the educators are helped to grow with each dawn

YOUNG LEADERS- After undergoing a zigzag of tests, interviews and discussions, the school chose its young leaders of student council. Supriya and Govind of class XII adorned themselves as Head girl and Head boy respectively. From junior school and took oath as the Junior Head girl and boy.

We run a number of clubs to unleash their interests. We try to amalgamate the activities held under various clubs. The winners were felicitated in a function.

HOUSE ACTIVITIES- The entire year throbbed with various activities under four houses named- Kirti, Niti, Pragati and Shanti.

CBSE ACTIVITIES AND COMPETITIONS- An array of activities were arranged by CBSE and they all were taken up with zeal and zest. a gamut of activities on the topic – ‘Phasing Out Single Use Plastic’ was arranged by the Government of India for a massive campaign on the Earth Day i. e. – 2nd April 2022. The school participated in these activities with frivolous spirit. The young blood designed beautiful posters and slogans. They expressed their feelings in essays, poems, lectures and speeches. The artistic representation in the form of card making, mask making was just adorable. Each and every child took a pledge to preserve the sanctity of the planet. It was an auspicious day and the students could delve into the food for thought about protecting the planet earth. Rain water harvesting, traditional water conservation methods were taken care of. Taking care of the environment with plantation drive, animal conservation were some more activities that helped the young minds think in the right direction.

HOBBY CLASSES- We have been focusing on the holistic development of the children of our school. The Hobby Classes involve a mix of prayers, exercises, dance, music vocal and instrumental, Students learn various dance forms including hip hop, zumba, freestyle, and classical.

HEALTH & FITNESS– Keeping in mind the need to educate children about health and fitness, we have been conducting various activities. It was fortunate to see the parents getting involved into these activities with their wards.

NEWSLETTER- Another volume of the school newsletter was issued which showcased the achievements and activities of SDPIans.

Hoping for many more milestones to be covered in future!
